### Recent engagement experience

**National Distribution Firm:** Conducted a strategic review of IT infrastructure, ERP applications and service delivery. Engaged for the management of transition to recommended strategy.

**Boutique Legal Firm:** Paul was engaged to undertake review of all systems, infrastructure and IT service delivery. The review has delivered more effective systems through project delivery, negotiation of outsourcing agreements. Ongoing role as in-house trusted advisor as Chief Information Officer (CIO).

**Northern Territory Power & Water Corporation:** Paul was responsible for the setup, delivery and management of the Procurement & Inventory reform programs for Northern Territory Power & Water Corporation. This included the identification and implementation of changes to achieve \$39mm in savings over 5 years in the inventory procurement & management functions.

In addition to this program was the Identification of \$2mm in annual savings through redesign of corporate training function and processes. Paul was also engaged to undertake and deliver risk identification and modeling using Monte-Carlo analysis to quantify risk on “go-live” of enterprise-wide asset management system.
